

# JESSICA L. GLASSCOCK

## Education

Texas A&M University-Kingsville  
2021 ▪ Doctorate of Philosophy-Wildlife Science

Sul Ross State University  
2012 ▪ Master of Agriculture-Animal Science, Reproduction

Sul Ross State University  
2003 ▪ Bachelor of Science-Wildlife Management

## Experience

Assistant Professor in Forest Wildlife Management ▪ 2021- Current  
Stephen F. Austin State University ▪ Nacogdoches, TX

Lecturer in Forest Wildlife Management ▪ 2019  
Stephen F. Austin State University ▪ Nacogdoches, TX

Teaching Practicum (RWSC 2330-Principals of Wildlife Management) ▪ 2017  
Texas A&M University-Kingsville ▪ Kingsville, TX

Research Assistant ▪ May 2014 – December 2015  
Texas A&M AgriLife Research ▪ San Angelo, TX

Interim Executive Director ▪ August 2013 – September 2013  
Chihuahuan Desert Research Institute ▪ Fort Davis, TX

Education Coordinator ▪ August 2009 – May 2014  
Chihuahuan Desert Research Institute ▪ Fort Davis, TX

Teacher and Academic Learning Center Coordinator ▪ August 2008 – July 2009  
Marfa Independent School District ▪ Marfa, TX

Administrative Assistant ▪ April 2006 – August 2008  
USDA – Chihuahuan Desert Resource Conservation & Development Area ▪ Alpine, TX

Graduate Teaching Assistant ▪ August 2005 – May 2007  
Sul Ross State University ▪ Alpine, TX

Office Assistant ▪ October 2004 – June 2005  
Goliad Feed Company ▪ Goliad, TX

Intern/Volunteer/Field Technician ▪ Summers 1993-2000, 2004  
Welder Wildlife Foundation ▪ Sinton, TX

## Professional Service

- 2022 Texas Chapter of The Wildlife Society (TCTWS) Scholarship Committee - Chair
- 2021 TCWS Executive Board – Secretary
- 2021 TCWS Publications Award Committee – Member
- 2020 TCWS Membership Committee - Chair
- 2020 TCWS Publications Award Committee – Member
- 2019 TCWS Membership Committee – Chair

- 2018 TCWS Committee Art & Photography Committee – Co-Chair
- 2017 TCTWS Outreach Committee – Co-Chair
- 2016-2018 Conservation Leaders for Tomorrow – Instructor
- 2016 TCTWS Art & Photography Committee – Member
- 2016 TCTWS Wildlife Conservation Camp Fundraising Committee – Member
- 2013 Sul Ross State University Strategic Planning Committee – Member

### **Professional Publications**

- Glasscock, J. L., T. R. Whitney, D. G. Hewitt, S. M. Cooper, F. C. Bryant, C. M. Toenjes. 2020. Intake of Supplemental Deer Pellets Containing Ground Blueberry Juniper by Wild Pigs. *Human-Wildlife Interactions*. Vol. 14: Iss. 2. DOI: <https://doi.org/10.26077/8c72-9755>
- Glasscock, J. L., T. R. Whitney, J. R. Roper, A. R. Holmes, S. G. Angle, W. C. Stewart, and E. J. Scholljegerdes. 2017. Substituting ground woody plants for cottonseed hulls in goat feedlot diets: growth performance and blood serum chemistry. *J. Anim. Sci.* DOI: 10.1093/jas/sky159
- Whitney, T. R., J. G. Glasscock, J. P. Muir, W. C. Stewart, and E. J. Scholljegerdes, 2017. Substituting ground woody plants for cottonseed hulls in lamb feedlot diets: growth performance, blood serum chemistry, and rumen fluid parameters. *J. Anim. Sci.* 95 (9), 4150-4163. DOI: 10.2527/jas2017.1649
- Glasscock, S.N., J.L. Glasscock, and R. DeYoung. 2016. More Than Just Textbooks, Teer Institute Fosters Leadership Development in Young Wildlifers. *The Wildlife Professional*. Vol. 10 No. 4
- Glasscock, J.L., T.R. Whitney, J.R. Roper, A.R. Holmes, S.G. Marrs, N.M. Cherry, J.P. Muir, W.C. Stewart, and E.J. Scholljegerdes. 2015. Effects of using ground woody plants in kid goat feedlot diets on growth performance. *Proceedings: Western Section of Animal Science*.

### **Presentations**

- *Promoting Wildlife Species Diversity in the East Texas Pineywoods*. Texas Wildlife Association & Texas A&M Forest Service - Texas Women in the Woods Workshop. Nacogdoches, TX. August 2021.
- *White-tailed Deer Necropsy and Health Evaluation*. Texas Chapter of the Wildlife Society – Wildlife Conservation Camp. Welder Wildlife Refuge. July 2021.
- *Use of Ground Juniper in Wildlife and Livestock Feeds*. Texas Chapter of the Wildlife Society Annual Meeting. Dallas, TX. February 2018.
- *Mammal ID and Aging*. Texas Master Naturalist. Welder Wildlife Refuge. June 2017.
- *Ground Juniper in Livestock Feeds*. TAMU Rancher's Seminar. Kerrville, TX. May 2017.
- *Wood to Feed Research*. Rotary Club. Sinton, TX. April 2016.
- *Effects of Using Ground Woody Plants in Kid Goat Feedlot Diets on Growth Performance*. Western Section of Animal Science. Ruidoso, NM. June 2015.

### **Poster Presentations**

- Martinez, A.S., J.L. Glasscock, C.M. Schalk, R. Antoniazzi. 2021. Avian Community Dynamics within a Riparian Corridor: A 12 Year Perspective. Arthur Temple College of Forestry and Agriculture Undergraduate Research Conference.

- Buckner, A., B. Carter, J.L. Glasscock, and C.M. Schalk. 2021. Latency to initial detection for mammalian species in a mixed hardwood-pine forest. Arthur Temple College of Forestry and Agriculture Undergraduate Research Conference.
- Steinley, W., B.P. Oswald, K.R. Kidd, and J.L. Glasscock. 2020. Effectiveness of Prescribed Fire on Meeting Fuel Load Management Objectives on Federal Lands in East Texas. Stephen F. Austin State University Graduate Research Conference.
- Bagwell, W., B.P. Oswald, J.G. Glasscock, and K.R. Kidd. 2020. Influence of Prescribed Fire on White-tailed Deer Browse in East Texas Forested Ecosystems. Stephen F. Austin State University Graduate Research Conference.

## **Graduate Student Mentoring**

### ***Graduate Advisor***

- Alejandra Martinez, M.S. Student, (Forestry, SFASU) Project: Avian community dynamics within a riparian corridor: A 12-year perspective.
- Gage Grantham, M.S. Student, (Forestry, SFASU) Project: A comparison of timber stand treatments on small mammal and herp communities.

### ***Committee Member***

- Christoph Williamson, M.S. Student, (Forestry, SFASU) Project: Effects of seasonal precipitation on red-cockaded woodpecker fledgling success on the Kisatchie National Forest in Louisiana
- Wyatt Bagwell, M.S. Student, (Forestry, SFASU) Project: Effects of prescribed fire on white-tailed deer abundance and browse availability.
- Will Stinley, M.S. Student, (Forestry, SFASU) Project: The consequence of burn regime alteration on plant community diversity in the Pineywoods of East Texas.
- Courtney Anderson, MS (Resource Communications, SFASU) Project: A Modest Survey of the Harris Mud Crab *Rhithropanopeus harrisii* at Hagerman National Wildlife Refuge in Sherman, Texas. Graduated.
- Kendall Beggs, M.S. Student, (Forestry, SFASU) Project: A Policy Analysis of the Endangered Species Act. Graduated.

## **Professional Memberships**

- The Wildlife Society
- Southwest Section of the Wildlife Society
- The Texas Chapter of the Wildlife Society
- Texas Wildlife Association

## **Grants and Fundraising**

### **Grants:**

- Source: TPWD: State Wildlife Grant  
Title: Population viability and trophic ecology of Alligator Snapping Turtles (*Macrochelys temminckii*)  
PI: Jessica Glasscock, Daniel Saenz  
Amount: \$300,000
- Source: Rob & Bessie Welder Wildlife Foundation Fellowship  
Title: Assessing drivers of population declines in non-game avian species  
PI: Jessica Glasscock  
Amount: \$54,750
- Source: McIntire Stennis  
Title: Assessing Drivers of Long-term Wildlife Population Declines in Southern Forest  
PIs: Jessica Glasscock  
Amount: \$25,000
- Source: TPWD CO-OP Grant

- Title: Outdoor Kids, Outdoor Families, Outdoor Fun
- Co-PIs: Jessica Glasscock, Cathryn Hoyt
- Amount: \$17,000
- Source: Dixon Water Foundation
- Title: Conservation Across Boundaries®
- Co-PIs: Jessica Glasscock, Selma Glasscock, Cathryn Hoyt
- Amount: \$5,000
- Source: Harvey Weil Sportsman Conservations Award Trust
- Title: Conservation Leaders for Tomorrow Conservation Across Boundaries®
- Co-PIs: Jessica Glasscock, Selma Glasscock
- Amount: \$10,000
- Source: Ed Rachal Foundation
- Title: Conservation Across Boundaries®
- Co-PIs: Jessica Glasscock, Selma Glasscock
- Amount: \$14,000
- Source: TPWD Horned Lizard License Plate Grant
- Title: Mobile Trunk Show
- PI: Jessica Glasscock
- Amount: \$13,795

Other Fundraising:

- Chihuahuan Desert Research Institute:  
Coordinated the Annual Fundraiser and solicited donations that raised over \$20,000 in the silent auction.

**Trainings & Certifications**

- Instructor for Conservation Leaders for Tomorrow (CLfT®)
- Huntmaster Texas Youth Hunting Program
- APHIS Certified Chronic Wasting Disease Sampler
- King Ranch Institute for Ranch Management-Prescribed Fire
- Texas Beef Quality Producer
- Texas Stream Team, Facilitator

**Scholarship**

- 2016-2018 Welder Wildlife Foundation Fellowship
- 2014-2015 James G. Teer Conservation Leadership Institute, Early Career Professional Program Fellowship
- 1999-2003 San Antonio Livestock Show and Rodeo Scholarship Recipient
